## KAISER PERMANENTE CHINO GRAND HEALTHCARE

### PROJECT NARRATIVE

Kaiser Permanente Chino Grand offers 57 patient exam rooms and 42 provider offices. This location will have many new features and technologies including check-in kiosks, wait-time calculators, mobile physician workstations (for tablets and other devices), and an enhanced environment that includes telehealth capabilities and waiting areas that educate, entertain and reinforce Kaiser Permanente’s “Thrive” brand.

### CONX SOLUTIONS

The steel for this LEED Gold facility was erected in just 6 days. The ConXL System seamlessly incorporated the architectural features, including the entrance canopy with exposed steel.
