

KAISER PERMANENTE WILDOMAR HEALTHCARE

PROJECT NARRATIVE

This new 84,000 sqft. Medical Office Building will be constructed to meet the U.S. Green Building Council Leadership in Energy and Environmental Design (LEED) Gold certification. The MOB will serve to continue to meet the robust needs of the community in Wildomar and the surrounding areas to offer their stellar continuity of care. The new facility will include 61 provider offices and 79 exam rooms. Adult primary care, pediatrics, vision, dermatology, imaging, mental health services, a pharmacy, as well as physical, occupational and speech therapy are among the services that will be offered.

CONX SOLUTIONS

Expedited occupancy for client. Rapid turn over to other follow-along trades. Standard processes expedite cycle time. Pre-fabricated components accelerate delivery schedule. Pre-approved connections accelerated plan checks and regulatory approvals.
